

Günther Apfalter

President Magna Europe & Asia

Effective July 1, 2020, Günther Apfalter's responsibilities were expanded to include the role of President Magna Asia in addition to his existing role as President Magna Europe.

Günther Apfalter has been with Magna for 18 years serving in various corporate and group executive functions. In 2007, he was appointed President Magna Steyr followed by an additional appointment to President Magna Europe in 2010. Magna is a

U.S. \$ 40 billion global automotive supplier that designs, develops, and manufactures components and systems for the world's leading auto makers. Magna has over 165,000 employees, almost 350 manufacturing operations and over 90 product development, engineering and sales centres in 27 countries.

He was President of Magna Steyr & Member of the Board of Magna Powertrain before he additionally took on the role of President Magna International Europe in 2010. From 2005 to 2007 he was President Europe & Asia of Magna Powertrain. He was Executive Vice President and Member of the Board of Magna Steyr Powertrain & Magna Drivetrain from 2001 to 2005.

Günther Apfalter joined Magna in 2001. Before joining Magna, he was Vice President Commercial Business Europe of Case New Holland and held several management positions within Steyr-Daimler Puch AG before it was fully taken over by Magna in 2001.

He graduated from the University of Vienna/Austria with a master's degree in Agricultural Engineering in 1985.

A native of Austria, Günther Apfalter was born in August, 1960.
